Re: WHNS-DT, Greenville, South Carolina
Facility Identification Number 72300

**REQUEST FOR EXTENSION OF SPECIAL TEMPORARY AUTHORITY
TO OPERATE LOW POWER DIGITAL TELEVISION STATION**

REC/MILLON JUN 06 2005

Dear Sir or Madam:

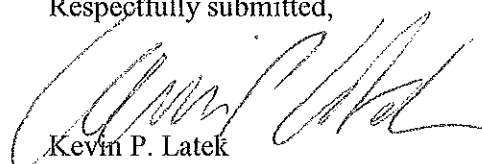

On behalf of Meredith Corporation (the "Licensee"), permittee of the above-referenced television station (the "Station"), and pursuant to Section 73.1635 of the Commission's rules, we hereby respectfully request extension of Special Temporary Authority ("STA") permitting the Licensee to operate DTV facilities for the Station with parameters at variance from the Station's construction permit. The station currently operates the facilities authorized by the STA.

On December 15, 2004, the Commission granted an extension of the STA for the station pursuant to Paragraphs 34-36 of the *Memorandum Opinion and Order on Reconsideration* in MM Docket No. 00-39, FCC 01-330 (rel. Nov. 15, 2001) ("*Reconsideration Order*"). The enclosed Attachment A identifies the technical data for the currently authorized facilities and for the STA facilities. Attachment A also provides the Licensee certifications required by the *Reconsideration Order*.

Renewal of the STA would serve the public interest by ensuring the provision of digital service to the Station's community of license. This STA request is accompanied by the requisite filing fee of \$150.00 and a completed FCC Form 159. We ask that you stamp the enclosed copy of this request and return it to our office as confirmation of filing.

Please contact me if you have any questions about this matter.

Respectfully submitted,

Kevin P. Latek
